

Aftermarket Auto Parts Alliance, Inc. (dba Auto Value / Bumper to Bumper) is America's largest and most recognized brand for auto parts, tracing its' roots in parts distribution back to the 1960's. With 54 members operating more than 120 warehouses and some 2200 stores across the United States, Canada and Mexico, The Alliance stocks and sells more nationally recognized, premium brands than any other wholesale or retail parts entity. Combined with the groups award-winning inventory alignment tool and hot shot delivery service from all locations, no other parts supplier can deliver exactly what you need, right when you need it more reliably than the members of The Alliance group.

BEST FEATURE: The Alliance Inventory Optimization Tool (IOT) has won the last four (4) R. L. Polk Inventory Efficiency industry award for inventory performance and effectiveness. This tool enables our members to stock exactly what you need, and know what your demand will be before you do. Thus, we have the exact part you need, right when you need it, and we'll deliver it fast. This feature enables you to get more jobs done and process more vehicles through your shop. Give us a try. Chances are, we've got what you're looking for!

MARKETS SERVED: The majority of the United States

PRICING: Market competitive and customized if needed.

FRANCHISEE REBATES, IF ANY, AND HOW THEY ARE PAID: Our Group program with Big O Tires is a 5% monthly rebate or off-statement discount (however you choose) from all participating members. Contact your local Auto Value / Bumper to Bumper affiliated parts supplier for more details.

WARRANTY AND LABOR CLAIMS: These are processed at the local level according to the terms and procedures of the Auto Value / Bumper to Bumper affiliated parts supplier servicing your account. As a Group, we offer a 12 month / 12,000 mile limited parts warranty and we work diligently on your behalf to recoup labor reimbursement from the parts manufacturers involved with the claim.
