

Rotary Lift has been providing solutions since 1925. We specialize in the design, manufacturing and distribution of a comprehensive line of superior vehicle lifts in our Madison, IN facility.

### **PRODUCTS / SERVICES OFFERED**

Light duty or heavy duty lifts in many configurations including: above ground, in ground, low/mid-rise, 2-post, 4-post, commercial, Y-Lift, SmartLift and symmetrical/asymmetrical designs. Rotary also has Rotary branded tire service equipment (wheel balancers, tire changers, aligners, alignment racks).

### **BEST FEATURES**

Decades of manufacturing expertise and cycle tested for years of trouble-free service.

Nationwide of network installers

Shockwave technology allows a reduced (25 second) rise time and reduced (19 second) descent to allow more productivity and to service more vehicles per day.

### **HOURS OF OPERATION**

Monday-Friday 8:00–5:00 EST

### **MARKETS SERVED**

Servicing the markets in US & Canada.

### **PRICING**

Being a member of TBC Corporation you receive the very best group pricing available and a full comprehensive lift line that you can trust. This includes free freight anywhere in the continental US. (Forklift required for offloading)
