

Vending Group is a national vending management company providing our clients with the highest standard of vending services. We service companies in the retail, hospitality, and multifamily housing industries. Since 2004, we have been working successfully with TBC Retail Group to provide soda and snack machines to all corporate stores.

### **BEST FEATURE**

Vending Group's consolidated vending program allows you to eliminate the administrative and financial burden associated with purchasing product, filling, repairing, and accounting for revenue from the machines, thereby allowing your personnel to focus on your core business. In addition to a full-service, turn-key solution, Vending Group consolidates the commissions for all locations.

### **PRODUCTS / SERVICES OFFERED**

Vending Group provides your company with:

- Top quality equipment
- Full-Service vending through our preferred supplier network
- Aggressive commission rates
- Superior customer service
- One toll-free number for all your vending service needs, regardless of location
- One consolidated check & one detailed revenue reporting statement for all locations
- Extensive strategic and analytic capabilities to enhance sales & commissions

### **MARKETS SERVED**

We have a nationwide network of suppliers providing vending service in all 50 states.

### **REBATES AND HOW THEY ARE PAID**

Franchisee locations enjoy the benefit of our national program's aggressive commission rates and are paid directly on a quarterly basis.
