MARKETS SERVED

Vision Wheel can ship wheels to anywhere in the world. We can get our products to 80% of the continental United States within 1-3 business days.

PRICING

Big O Tires gets the deepest “four at a time” acquisition cost in Vision Wheel’s pricing structure.

WARRANTY AND LABOR CLAIMS

All warranty claims are processed once merchandise is returned to a Vision Wheel facility. All warranties are from the manufacture and can be found at www.visionwheel.com. For any warranty or other returns a return order must be assigned from the local Vision Wheel facility.

DELIVERY OPTIONS

Big O Tires gets a subsidized flat shipping cost of \$15 per wheel for all “ground service” wheel orders. Expedited delivery is available at the actual freight cost.
