

TBC Corporation and Marlin Equipment Finance have formed a strategic alliance to provide flexible financing solutions for equipment suppliers. Marlin Equipment Finance is focused on the small and mid-size business sector and has supported the automotive equipment industry since 1997. In the course of its tenure in automotive equipment finance, Marlin has:

- Processed over 43,000 applications
- Established relationships with a large number of automotive equipment dealers
- Provided financial solutions to major franchise concepts

BEST FEATURES

- Full program support team, with a Single Point of Contact
- Fast credit decisions in less than 2 hours (*under \$100K*)
- Simple process with single-page documentation
- 24/7 access to online quote tools

SIMPLE APPLICATION PROCESS

1. Marlin Account Executive receives the application (*via fax, phone or email*).
2. Credit decision within 2 hours. Finance contracts are emailed to the customer
3. Marlin receives the signed documents (fax/email) and issues a purchase order.
4. Final invoice is received. Delivery and acceptance is confirmed.
5. Transaction funded within (24) hours.
