BEST FEATURE

- We are the largest company in our industry.
- We are a market leader with an excellent reputation.
- We have an outstanding management team, most of whom have been with the company for many years. We are experienced, knowledgeable and committed.
- We are ownership-driven. Most of the executives have the majority of their net worth invested in Cintas stock. We are motivated more by the long-term value of Cintas than by salaries, bonuses and perks.
- We do extensive benchmarking by comparing costs and productivity — line item by line item — for every Cintas operation throughout North America. This stimulates competition within our team and sets the scene for outstanding performance.
