

TRICO® wiper products are easy to install and designed to perform under the most extreme weather conditions. Your customers count on you to keep them safe on the road. And with TRICO® wiper blade products, you get the quality and performance your customers rely on. With a full range of quality wiper blades to fit virtually any vehicle on the road today, TRICO® windshield wiper blades give you and your customers exactly what you're looking for, from easy installation to the latest innovations.

PRODUCTS / SERVICES OFFERED

TRICO Ice, TRICO Tech, TRICO 30 series, TRICO Exact Fit Rear Blade.

BEST FEATURE

TRICO Ice – Ruggedly constructed armor protects blade from severe weather. One-piece, flexible design conforms snugly to all windshields.

TRICO Tech Wiper Blade – Curved steel beam provides uniform pressure for the clearest wipe. Exclusive dual-point coupler helps eliminate streaking.

TRICO 30 Series Wiper Blades – Engineered for better contact on highly curved windshields. Precision-cut rubber edge provides superior wiping performance.

TRICO Exact Fit REAR Wiper Blade – Engineered to meet or exceed original equipment specifications. Looks and functions like original equipment.
